A New Beginning Mission

For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me. Matt 25:35-36

Saturday Mission

As followers of Jesus Christ, we are called to go into the city streets to share our food with the hungry; give clothes to those who have nothing to wear and share the message of Jesus' love, hope and peace. Mission Saturday is committed to this.

Tables stocked with home-made soup, sandwiches, coffee, clothing and personal items are setup on the street at Queen and Sherbourne. Volunteers are ready to serve all passers-by. The doors of the Followers Mission are open to receive anyone who would like to come in and enjoy the praise and worship ministry available throughout the day.

Evangelism: Sharing our Passion for Christ Across the GTA

In February, members of First United Pentecostal Church and A New Beginning Apostolic Church gathered for a weekend of training with Pastor Mark Shutes. His passion to reach the world for Jesus was inspiring.

We believe that God has not forgotten about the City of Toronto and He is mobilizing the Church to reach our communities in a strategic way. Consequently, for the next three months some 70 church members will undertake intensive training to reach our neighbourhoods.

Thank You to our Sponsors

God uses people to be His hands of giving to those in need.

A New Beginning Mission would like to thank our sponsors this quarter for responding to the needs of many.

The Nehemiah Project

Jesus' Storehouse

The "Nehemiah Project" is based on the premise of groups of people (families) coming together to rebuild ruined places. To assist us in this goal the First United Pentecostal Church under the leadership of Pastor T. Pickard gave us the use of a warehouse and donated many goods to be distributed to those in need. As we began to organize, we realized that we needed shelving, transportation bins, boxes, labels and other supplies.

After praying for these items God miraculously gave us 16 free transportation bins from Windfall, free unlimited boxes and 5000 labels all in time for us to complete the work. The entire church (from toddlers to seniors) volunteered their time over several evenings to prepare the storehouse for the mission.

Phase 1 is now complete. Phase 2 will involve transferring our overflow goods from a second room to Jesus' Storehouse. Stay tuned...

An Opening in the Wall

As mentioned above, we needed industrial shelving and this is the story of how God answered our prayer. The Lord sent His Word to build our faith. He reminded us of an event in the Bible. Jesus asked His disciples to bring him a colt and He instructed them to tell the owners that the Master had need of it. This scripture caused us to believe that we would be given free shelving to meet our need.

In no time, a church member noticed hundreds of industrial metal shelves strewn on the floor at one of his construction sites. It was the identical shelving we needed. He remembered the scripture about the colt and he believed that this was the shelving we would be given. He made several requests for a donation of the shelves but was refused.

After about three weeks, the Project Manager and the foreman were in a bitter disagreement. As a result of this conflict our church member was instructed by his foreman to close all the walls, leaving no opening. This was a vindictive act that would have caused many problems and cost thousands of dollars. Our church member found a way to resolve the crisis by creating an opening in the wall. The Plant Manager, on behalf of the owner, was so thankful for this act of kindness that he gave us all the shelves we needed free of charge, and even used his forklift to load everything on our truck.

God cares about those in need. If you would like to help us, please note that **100 percent of all donations are used for the homeless and the poor and everyone involved in this outreach is a volunteer.** You can contact us at anbacmissions@rogers.com or call us at 416.644.0590.
